Morning Round-Up

The morning round-up will start from the camp ground fence each morning at 6:00 a.m. and will include all of the grounds and buildings west of the camp ground fence.

No Return Checks

No pass-out or return checks will be issued for the outside gates.

Camping

A most cordial invitation is extended to Fair visitors to avail themselves of the splendid opportunity for "camping out," right on the State Fair grounds, a two-in-one vacation.

The camp site, which is the finest and most extensive camp area found at any State Fair, is located on high rolling ground on the east side of the fair grounds. Fine native timber shades most of it and the ground is well covered with blue grass. Water hydrants are plentiful for domestic use as well as for fire protection. The area is electric lighted and public telephones and toilets are located throughout the grounds.

REGISTRATION: The tent city has been platted as a city should be with streets and avenues. A Campers Headquarters is maintained under the direction of a Superintendent and all campers are required to register. A directory is compiled with the name, home town and camp address of each camp unit or family, so that in the event of emergency messages a camper may be more quickly located.

CAMPING IS FREE: No charge is made for registration or for use of the camp site. The camping area is fenced off from the main part of the Fair Grounds and no camping will be permitted outside this area. Campers may bring their own tents, sleeping and cooking equipment or they may rent tents and cots from a tent company located on the grounds.

PUBLIC BATH HOUSE: A large well-lighted public bath house has been provided for the convenience of all campers. It is located at "A" Avenue and 5th Street in a modern brick and tile building. Soap and towels and hot and cold running water are provided for a reasonable fee to cover the operating expense. Toilet facilities are there as is a public telephone. Competent attendants are present.

THREE ENTRANCE GATES: From the fair grounds proper three roads lead to the camp area: 1. east end of Grand Ave., 2. on street running east on south side of Old Poultry building, and 3. one on street south of boys 4-H dormitory. Campers may pass freely back and forth through these special gates by getting return checks from the gate keeper and paying only one entrance fee to the fair daily. Abuse of this free return privilege will require full admission payment and may subject the person to immediate expulsion from all camping privileges.

CAMPERS VISITING CITY: Of course many campers will wish to visit Des Moines and the Capitol Building during their stay and they may now do so through their own special camp ground exit where return checks will be issued to registered campers, for use during same day through same gate. The campers gate is also known as the Dean Avenue gate and is found (well marked), on the road running south from a point east of the Farm Bureau Headquarters.

J. W. CORY, JR., SPENCER
President, Iowa State Fair

SPECIAL AREA FOR HOUSE TRAILERS: A separate camping area is set aside for those who come to visit State Fair in a house trailer. This site also has fine shade trees and is on high level ground. Electricity is available for lighting and appliance use at a nominal charge. A small office is maintained here with an attendant in charge to register all trailers, collect charges for electricity, issue free pass out checks and generally aid residents of the trailer camp to have a pleasant stay.

PARKING OF CARS AND TRUCKS IN CAMP GROUND AREA: Space is allotted for parking one vehicle adjacent to a tent. All other cars and trucks must be parked in an area as directed by the camp grounds superintendent. Trucks used as living quarters must be parked in an area as directed by the superintendent and will not be allowed in the congested tenting or trailer area.

Bureau of Information

A bureau of information will be maintained at the secretary's office in the Administration Building.

The Des Moines Register and Tribune will maintain a bureau of information in their new building on the south side of Grand Avenue just west of the Administration Building. Any information pertaining to the city, conditions of roads, etc., will be cheerfully furnished State Fair visitors.

Lost and Found

The Bureau of Information in the Secretary's office will also handle lost and found articles and inquiries.

Women and Children's Building

The Women and Children's Building is a beautiful structure located on the hill east of the Stock Pavilion and Agricultural Building. The location is ideal, overlooking the main portion of the grounds and exhibit buildings.

LYLE R. HIGGINS, HARLAN
Vice President Iowa State Fair
and Superintendent Public Safety Department

There is a large auditorium in which programs of interest to women are given daily.

The rest rooms are large, well ventilated and comfortably furnished. The spacious porches offer a resting place for hundreds of people.

Press Bureau

The Fair will maintain a press bureau in the Administration Building with a competent person in charge. Manifold copies of the awards in the live stock departments, daily programs, special orders and announcements, official decisions and all other matters of interest to the public will be furnished to the press and radio. Representatives of the press and radio, who may be assigned to or visit the Fair, are cordially invited to make this their headquarters and avail themselves of the facilities offered.

Radio and Television Center

The new Radio and Television Center is the beautiful new building just west of the Grandstand on Grand Avenue. It is open to the public and live radio and television programs are broadcast daily. Watch your favorite stars and announcers in person on programs of particular interest to fair patrons.

Emergency Hospital

An emergency hospital will be maintained in the southwest corner of the ground floor of the Women and Children's Building. Physicians and nurses will be in charge day and night. Services are rendered by the Polk County Chapter of the American Red Cross and management provides the hospital building and furnishings.

Check Room

A check room in charge of reliable persons is located at the refreshment stand in the Administration Building. Packages and clothing may be checked at a nominal fee.

L. B. CUNNINGHAM, DES MOINES
Secretary Iowa State Fair

Post Office

A substation of the Des Moines Post Office will be located on Grand Avenue, northeast of the Agricultural Building. The office will receive and distribute mail, sell stamps, postal cards and money orders.

Express

The express company's office will be found in a booth east of the north entrance to the Stock Pavilion. All express shipments for delivery to the grounds should be marked and charges prepaid to Des Moines. All express sent to individuals or firms in care of the secretary will be found at the express office. Free pickup or delivery of L.C.L. shipments to or from any point within the Fairgrounds.

Express shipments will be accepted at the Fairgrounds Railway Express office for forwarding to any destination either by rail or air. Express money orders and travelers cheques may also be cashed or purchased.

Telephones

A complete telephone system is maintained on the grounds by the Northwestern Bell Telephone Company. Connections may be had to any part of the grounds, free; a toll fee of ten cents for down town connections is charged. The central office is located in the southeast corner room of the Educational Building and Grandstand.

Administrative Offices

All the officers and superintendents of the Fair will have offices in the Administration Building.

General

The management will consider it a kindness if persons will report any mistreatment or extortion practiced by any employee of the Fair or concessionaire. They also ask for immediate information regarding the sale of intoxicating liquors.
